STATINTL

February 20, 1964

Dear Ray: (C)

I should like to commend to your attention the excellent cooperation and help members of the Council have received in working up the maps and graphic illustrations for the National Policy Papers. In particular, the Cardiographic Section of ORR and Mr. [REDACTED] the Chief of the European-Africa Branch, have been most helpful.

STATINTL

Sincerely yours,

*Walt*
